

On-call / substitute

On-call / substitute wanted for Peak 12 Hotel in Viborg – part of Bühlmann Hotels

We are currently looking for new colleagues as on-call / substitute staff for Viborg's new design hotel, Peak 12 Hotel.

Peak 12 is a newly built design hotel with a strong focus on sustainability, modern hospitality, and guest experiences. The hotel features 155 rooms, a cocktail bar with international ambitions, a high-quality coffee bar, and a rooftop terrace offering the city's best view.

We are looking for versatile and curious colleagues who are interested in being trained across multiple functions and taking shifts with varying responsibilities.

The position does not include fixed hours; however, the more functions you are trained in, the more shifts will be available.

The role – a modern “octopus”

After training, you will be able to take shifts within several areas:

Host / receptionist (hospitality, guest handling, and check-in)

Bartender (cocktails, coffee, and bar service)

Kitchen / waiter (in the future, for our restaurant)

Work tasks (depending on shift and training):

Hospitality and guest handling

Reception duties and reservations

Responding to emails, phone calls, and guest inquiries

Bar and coffee operations

Serving and kitchen-related tasks

Coordination of events and arrangements

Independent areas of responsibility

Various administrative tasks

We expect that you:

Are service-minded, positive, and detail-oriented

Thrive in a workday with varied tasks and responsibilities

Are flexible and reliable

Are able to maintain an overview – even during busy periods

Have a high level of Danish and English, both written and spoken

Are independent and take responsibility

(Experience from a hotel, bar, café, or restaurant is an advantage – but not a requirement)

We offer:

A position in a company with extensive experience in the industry

Thorough training across multiple functions

A quality-focused workplace with professional colleagues

An organization where there is a short distance from idea to action

Good working conditions and attractive staff discounts across the entire group

Opportunities for more shifts as you are trained in additional roles

If this sounds like something for you, apply via the link no later than 30/01/2026.

If you have questions about the position, you are welcome to contact Sophus Stegenborg
